Why choose CCIB Ltd?

Currently there are only a handful of brokers with specialist knowledge of farm or farm related insurance. With the current farm insurer market shrinking, we can offer our range of products to you to enhance the portfolio of insurance products available to your customers. We provide a professional, prompt and efficient service and we are always on hand for any advice or any questions you may have.

After filling in one of our bespoke quotation forms, quotations will be returned to you within 48 hours. Policy documents will be issued within 7 working days and mid-term adjustments will be carried out immediately. These are just a few of the ways that we can make using CCIB Ltd as easy as possible for you.

Simply fill in the attached enquiry form and return to CCIB Ltd, or hand to a member of C&D staff.
